Dear Mission Presbytery,

The dates for our summer meeting are Friday, June 8th and Saturday, June 9th, and we will gather on the campus of Schreiner University in Kerrville, almost in my back yard! Those of you who haven't been on the campus for a while will be surprised by the number of new buildings and the landscaped grounds. Blessed by recent rains in the hill country, the campus has never looked so beautiful!

Our meeting will be held in the Cailloux Campus Activity Center (CCAC). It is the large building that you face as you enter the campus. During our time together we will:

- We are Mission Presbytery, serving Christ in the World. In the Reformed Tradition, together we
 - Establish and equip congregations and sessions to carry out their missions;
 - Recruit, receive, ordain, develop, and care for those called to service in the church;
 - Enable mission and witness to the Gospel that congregations cannot accomplish alone; and
 - Steward our resources faithfully and generously.
- We are better together.

- Welcome our youth to experience the work of the church at the presbytery level, and they, in turn, will lead us in worship on Saturday morning. (and maybe lead an energizer or two!)
- Choose between an exciting array of workshops on Friday afternoon.
- Do a little business and enjoy the fellowship of one another as we are hosted by the wonderful folks at Schreiner University.

What I most look forward to you seeing and experiencing is our new Junkin Campus Ministry Center. The old Dietert Auditorium/Chapel has been re-purposed into a wonderful space for worship, fellowship, Bible study, and countless other activities. Some of our workshops on Friday will be held there, so plan to wear your walking shoes so that you can stroll across the campus and feel like a college student again!

Safe travels, and I look forward to being with you at Schreiner University soon.

Blessings,

Judy Ferguson
