ASSISTANCE FOR CITIZENS AFFECTED BY THE RECENT FLOODS

MARBLE FALLS, Texas (October 24, 2018) – Burnet County and the City of Marble Falls will be coordinating assistance for our citizens who have been affected by the recent floods.

We will be hosting two Multi-Agency Resource Centers (MARC), which is the most efficient way to deliver services to individuals and families affected by this disaster. The MARC brings multiple service providers together in a single location, providing on-site assistance such as clean-up kits, supplies, financial assistance and the opportunity to register your needs for recovery.

Citizens will need to bring proof of residence such as driver's license, utility bill or some other verifiable document of proof.

The location and dates for the MARC's is as follows:

Wednesday, October 31, 2017 10AM - 7PM |

First Baptist Church Granite Shoals

505 S. Phillip Ranch Road, Granite Shoals, Texas 78654

Thursday, November 1, 2018 10AM - 7 PM

Boys and Girls Club of Marble Falls

1701 Broadway, Marble Falls, Texas 78654

Organizations interested in participating should contact Michelle at 512-755-5155.

Questions, Kevin Naumann 830-613-5919
