

**Westlake Hills Presbyterian Church**  
**Seeking Church Organist/Pianist**

**Our Vision**

Transformed and empowered by the Holy Spirit, WHPC will be a Christ-centered community of faith that intentionally nurtures relationships with God, on another, our neighbors in Austin and the world.

**Our Mission**

To invite people into God's larger story as we follow Christ together.

**Our Congregation**

WHPC is a Christ-centered, multigenerational, welcoming congregation. When members describe WHPC they say words like community, family, and home. WHPC is also committed to caring for those in need, in our community and beyond, whether spiritual, emotional, or material. We believe that faith is a journey, unique to each person, best lived out alongside other people and that worship is the front door that draws us together. Our members represent many points on the theological spectrum found within the Reformed Theology of PCUSA. Our members are committed to being united in Christ and learning from our differences. We believe that following Christ means serving those with the least, offering compassion for those who are in distress, sharing the fruits of the Holy Spirit with our lives, and prioritizing God as the center of life. We believe that a life following Christ is the best life to be lived for anyone and therefore, will invite others into that life.

**Our Worship**

WHPC currently offers 2 sanctuary worship services – 9:00 and 11:00am. Both services include proclamation of the Word, sacraments, liturgy, prayer, singing, hymns accompanied by our organ and contemporary Christian songs accompanied by our worship band. The Chancel Choir sings at the 11:00 service, which is also live streamed on YouTube. There are also Youth Choir, Adult Handbells, Youth Handbells and Youth Orchestra opportunities.
